## SUBLI-TRANS WB SUBLIMATION PAPER

In these demanding economic times, you could use a break. We agree so we are continuing to offer you discounted pricing on excess inventoried [Water-Based Dye Sublimation Paper](#) to make room for new products in 2010. Use in the transfer of images to banners, flags, team apparel, swimsuits, tradeshow displays and graphics, water and snow skis, snow boards, wake boards, and skate boards. This paper performs extremely well, is dimensionally stable and produces excellent colors. It comes in the following weights, sizes and lengths:

- 100 or 120 Gram
- Sizes: 24", 44", 52", 54, 64", 72" and 100"
- Lengths up to 330 lineal feet

This paper can **ALSO** be used for sign, banner and poster prints as a matte finished, C1S (Coated One Side) substrate for indoor signage. Sheeted to your size, use an inkjet printer and other digital methods without the need to transfer the print.

**This is a perfect opportunity to SAVE on your paper bottom line by up to 70%!!**  
[Check out these prices or call.](#) (Purchase by the pallet or less if it closes-out the size.)

**Incredible Profits at a Perfect Time.  
Carpe Diem in 2010!!**
